No. 76-7702

FROM: Peter L. LoPresti, *PL*  
Executive Secretary

SUBJECT: Teacher Preparation and Licensing Law of 1970

Attached is a copy of the Teacher Preparation and Licensing Law of 1970, plus related Rules and Regulations. Because of the passage of AB 3100 which completely reorganizes the Education Code effective April 1977, only a limited number of copies were printed. It may be more economical for you to reproduce your own copies of this limited-term edition.

However, if you desire to purchase additional copies of the Teacher Preparation and Licensing Law, they may be obtained from the Commission at the following prices:

Teacher Preparation and Licensing Law of 1970  
Section I only (42 pages) \$2.50 each

Teacher Preparation and Licensing Law of 1970  
with Related Rules and Regulations \$5.00 per copy

We would be interested also in determining how many copies to print next year. Would you please fill out the flyer below and return it to us at your convenience.
